

## **Vanguard Partnership Agreement**

The Vanguard Partnership Agreement is established between Whitson Technologies Inc and Orion Solutions, LLC to foster mutual growth and cooperation within the tech industry by leveraging shared resources and unique strengths. This document details the essential terms and conditions, as well as outlines the obligations of both parties from the effective date of March 12, 2023.

### **Parties' Obligations and Responsibilities**

This section delineates the responsibilities and obligations of both Whitson Technologies Inc, referred to as the "First Party," and Orion Solutions, LLC, denominated as the "Second Party." Under the terms agreed, the First Party is primarily responsible for technological enhancements, maintenance, and software development related to the joint projects. The Second Party shall take charge of marketing, customer acquisition, and maintaining the financial accounts associated with these ventures. Each party is expected to diligently fulfill these duties as they pertain to the success of this agreement.

### **Financial Implications and Payment Details**

The financial breakdown of the Vanguard Partnership Agreement is crucial for maintaining transparency and trust. All expenses incurred through collaborative projects will be split evenly between the parties. On the date March 10, 2023, each party must deposit an initial funding amount of \$500,000 into a joint account established for this purpose. Payments for all subsequent expenses will be made on a quarterly basis, requiring both parties to submit a detailed account of project-related costs.

### **Confidentiality Commitment**

Confidentiality is paramount in the Vanguard Partnership Agreement. The confidentiality clause dictates that all proprietary information, trade secrets, and project details shared between Whitson Technologies Inc and Orion Solutions, LLC remain confidential indefinitely. This commitment to secrecy extends beyond the termination date of March 12, 2026, memorializing the enduring obligation of both parties to safeguard sensitive information.

### **Amendments and Modifications**

Under the conditions outlined in the amendment clause, changes to any aspect of the Vanguard Partnership Agreement must be properly documented and executed only after obtaining mutual consent from both Whitson Technologies Inc and Orion Solutions, LLC. All amendment proposals are to be drafted in writing, addressed formally, and signed off by the authorized representatives before any changes take effect. This ensures that all parties are in agreement and maintain a uniform understanding of the terms at all times.

### **Legal Jurisdiction and Governing Law**

According to the stipulations of the Vanguard Partnership Agreement, all legal disputes or proceedings will be governed by the New Avalon Law. Moreover, any enforcement or juridical interpretation related to this contract shall be conducted within the jurisdiction of Cresta City Courts. This agreement provides a legal framework that protects both parties and ensures fairness in all legal proceedings associated with the contract.

### **Execution and Signatures**

The execution of the Vanguard Partnership Agreement necessitates the signature of authorized representatives from both Whitson Technologies Inc and Orion Solutions, LLC. Duly signed on March 10, 2023, these signatures on this legally binding document signify the consensus and willingness of the involved entities to actively engage in this alliance. All

documents have been notarized to confirm authenticity and consent.

## **Document History and Reference Notes**

This document, referencing ID WPA-20230312, has been thoroughly vetted and validated by the legal teams of both parties for compliance and enforceability. All readers and involved parties are advised that all clauses in the Vanguard Partnership Agreement must be fulfilled to avoid legal repercussions. For further clarifications, parties can refer to local laws specified under the jurisdiction of Cresta City or consult the legal advisors listed on page 6 of this document. For amendments and all official correspondence, please use the mailing address provided: 1205 East Nexus Drive, Cresta City, NA 24567, for Whitson Technologies Inc, and 78 Orion Parkway, Oldtown, NA 31546, for Orion Solutions, LLC. The document references and links to supplementary resources can be found in the appendix section, starting from page 8 onwards.
